Dear Level 3 students and parents/guardians,

We are writing to inform you about the upcoming Prom being held on Thursday June 25th, 2015. As a new initiative this year, we are planning the first ever inclusive prom where all students can attend at little to no cost and celebrate their time at Holy Heart with their classmates. In taking these steps we are bringing our Prom back to our beloved building by hosting the Prom and Safe Grad within our own walls. This is very exciting for staff and students as this opportunity will allow each student to enjoy their Prom celebrations without the stress that this can put on students and their families. This time is about celebrating our students and their legacy as Holy Heart Highlanders.

In saying that, we want to ensure that all students have the information about the event. Here are the plans for the night:

Meet and Greet (students, dates and parents/guardians): Brother Rice

Dinner (students and dates): Holy Heart Gym

Speeches, Awards, Slideshow, etc (students, dates and parents/guardians): Holy Heart Theatre

Dance: Holy Heart Gym

Safe Grad: Holy Heart- First Floor/Theatre

Some things to note:

- Parents/guardians/guardians are welcome to attend the Meet and Greet and the portion of the evening in the theatre. The capacity of the gym does not allow parents/guardians to attend the meal.
- Students will be able to bring a date/guest from outside the school, however there will be a cost associated with this as the free evening is just for Holy Heart Graduates. (Cost to be announced when details become finalized.)
- Once students arrive at Holy Heart for the night, they are there for the night and have no reason to leave the building as the entire event takes place here.
- Students/parents/guardians should make arrangements to have clothes available for students to change into for the safe grad. This will be stored for students until they are ready for this part of the night.
- Graduates will have the opportunity to help decide on themes, awards, music, etc. in the near future.

Please keep in mind that students, teachers and parents/guardians are working hard to ensure that this is going to be the best night possible for all graduates. It is your night to enjoy with your friends and we are committed to high standards for the evening's events.
