

HOLY HEART OF MARY SAFE GRAD 2016 – June 23, 2016

We are now only a little over three months away from our children’s graduation. As part of the ceremonies, a Safe Grad is scheduled to take place at the school immediately following the prom. With more than 300 graduating students this year, we expect many will want to participate so we need the help of every parent who can contribute in some way.

A Safe Grad Coordinating Committee has been initiated with approximately 20 parents who have come forward so far, so a huge “Thank You” to those who have come forward. The role of the Committee is to minimize the costs to students attending Safe Grad through a variety of fund raising activities and organize a fun-filled, entertaining and safe night. Safe Grad is huge undertaking, so more volunteers are needed.

There is a critical need for more volunteers! And remember, even if you cannot attend the night of safe grad, there are lots of other ways to participate!

We want to make this a special night for our graduating students and are certain that with your help, we can make that happen.

FUND RAISING

Since the Safe Grad is ***largely financed through fund raising and donations*** getting every parent involved is extremely important. Mark your calendar, our first fundraising opportunity will be a ***Recycling/Bottle Drive on March 19th***. We ask that you start collecting recyclables/bottles now so that you are able to give generously should students come to your door. If you prefer to drop off your recyclables/bottles, there will be someone available at the school during 9:00 a.m.-12:00 p.m on the 19th to take your donation. We are working on a couple of other fundraising activities including the sale of chocolate bars. Parents can help by selling these products when they become available. We’ll keep you posted on this and our other upcoming fundraisers. Stay tuned to HHM website, Synervoice messages, and any posters throughout the school! All money raised from activities will offset the cost of the Safe Grad event.

HOW YOU CAN HELP SUPPORT SAFE GRAD

As a parent of a graduating student, there are many ways that you can help support the Safe Grad. Please review the list of suggestions below and tick as many as apply. Please include your contact information and forward your response to the School Office or scan and e-mail it to HHMsafegrad2016@gmail.com.

- I can make a cash donation \$ _____
- I can serve on a safe grad committee _____
- I can donate a gift card/prize for \$ _____
- I can donate my time or help out in some other way _____
- I’m available to sell chocolate bars _____

Your name: _____

Your address: _____

Your phone #: _____

Your e-mail address: _____

If you have any questions, you can direct them to this gmail address and someone from the Committee will response as quickly as possible. Once more details are ironed out about Safe Grad, we’ll be sending further communications.

Please respond by March 12th

Thank you for your consideration! Every contribution is important!
