

High School Certification Reread of Examinations

As part of the Public Examination Regulations, any student may request a reread of his/her examination paper. A reread involves a qualified marker reviewing the exam paper to ensure the marking standard originally intended had been appropriately applied. A clerical re-check of the marks calculation is also carried out. **Rereads can only be conducted for January Exams, and not for previous years.**

Any student's transcript with a mark of 47 was automatically re-read upon completion of the Public Exam Marking Board. The student can, however, still request a reread.

If you would like to request a reread, please complete the form below. There is a **non-refundable fee of \$10** per examination. The deadline for receipt of payment is Monday, **February 25th, 2019.**

Payment:

The fee must be paid on line at: <http://www.gov.nl.ca/pay-online.html>. Click on the link called High School Certification Fees. **The application must be accompanied by the transaction number and a copy of the official receipt before your request can be completed.** The completed application and proof of payment should be faxed to **729 – 0611** or mailed to:
